

SCHOOL CONTEXT STATEMENT

Updated:

School number: 0238

School name: Macclesfield Primary School

School Profile:

Macclesfield Primary School is a small school of less than 100 enrolments in the Southern Adelaide Hills 45 minutes from the CBD.

The school values are Responsibility, Respect, Caring, Success and Safety. These values are linked closely with '*Positive Education*' and '*Play IsThe Way*', two programs that the school is currently developing and modifying its participation in.

The school has strong links with the local community through its involvement with the RSL Club, the Macclesfield Community Association, sporting clubs and environmental groups. The school won the inaugural Mt Barker Council Environmental award in 2014.

Over the past couple of years the school has developed its Better Buddies program, linking our new Receptions with children from the senior class. Each week these two groups get together and participate in activities designed by the school's PCW.

The children from the senior class are involved in many SAPSASA events throughout the year. This class also participates in the annual Festival of Music Choir.

The school offers User Pays music tuition in piano, keyboard, guitar, ukulele and drums.

1. General information
