**Government of South Australia**

Department for Education

Term 1 Week 1 Thursday January 28th

## NEWSLETTER NO. 1

### Welcome to 2021

Selamat Datang (welcome in Indonesian) to all new and returning students, teachers and families. We are all looking forward to a successful and exciting year for everyone.

A special welcome to the following Receptions who are beginning their school journey at Macclesfield

Callen, Eadgyth and Taylor.

We also welcome Sienna in Year 1.

### Covid-19 Protocols

While there's currently no community transmission of COVID-19 in South Australia, it's important we continue to follow the advice from SA Health and Directions set by SAPOL.

This includes

- That students stay home if they are unwell.
- Parents may come onsite but due to the inability to social distance they are not to enter buildings unless previously arranged e.g. meeting, assemblies, acquaintance night
- Parents must continue to physical distance wherever possible, including at school pick up and drop off or when attending school assemblies and concerts.

All school sites have been provided with QR codes to help with SA Health's tracking and tracing of Covid-19. Hence any who is not a student of Macclesfield Primary School who enters the site are required to scan the QR code or record their name and time on the sheet provided.

There is a code located on the table near reception and also one on the front gate

### Bushfires

Unfortunately, part of living in the hills is the threat of bushfires as evident by the Cherry Gardens Fire over the weekend. This had an impact on our community here at Macclesfield as many of you needed to enact your bushfire plans.

If you were impacted by the events of the Cherry Gardens Fire please contact the school so that we can support or direct you in the right area. You may also access
