NEWSLETTER NO 9.

Frogs

One of the advantages of living in the hills is the opportunity for our students to see, interact and develop an understanding of the importance of looking after nature.

Over the last couple of weeks we have been regularly visited by frogs. The students have shown great excitement when they arrive and a strong desire to keep them safe.

SSO Week 2021

This week is SSO awareness week. A big **THANK YOU** to all our wonderful SSOs

Enrolments

It is hard to believe that we are looking at 2022 already. To help us with planning can you please let us know if your child is starting in Reception or if you know of any other families who are looking to enrol. This information helps with staffing and classroom structures. Thank you in advance.

Community Breakfast

With the current restrictions and the wearing of masks we have made the decision that we cannot host our breakfast as planned at the end of last term. We will ensure that parents receive their refund. Please watch this space as we work out the most efficient way to achieve this.

OSHC News

Please find below some information about our OSHC service provided by Happy Haven. Happy Haven provide a great service and is very happily attended by our students. They provide before and after school care and if you haven't used them before I hope this information helps

Book Week

Book week is coming.

The students are currently looking and reading the short listed books. During week 6 the students will be doing activities based on some of the books with all staff. This week will culminate with a book week parade assembly based on the theme OLD WORLDS, NEW WORLDS, OTHER WORLDS on Friday the 27th August at 9:00 am. Parents are welcome but social distancing and mask wearing will be required under current restrictions.
